Invitation

We wish to extend a cordial invitation to all friends of Shorthorns, both polled and horned, to be with us at our 40th Anniversary Sale. We are very happy to have a guest consignment from the famous Avenel Herd of Bethesda, Md.

We have been planning this sale for over a year and the tops of our spring 1954 bull crop have been held for this sale, and the later part of the crop was held intact. The bulls are a rugged outfit as they have been lot fed. Twenty or more bulls running together all the time take plenty of exercise. Only two females have been sold for breeding purposes since 1950. Every female selling was calved on the farm and every sound female calved between July, 1952, and April, 1955, sells.

Our cattle always sell worth the money. In fact, we seriously doubt if there is a herd in America that has sold any more cattle that have made huge profits for the purchasers. Several have produced or sired single calves that have brought from 5 to 10 times the price paid for the sire or dam, and many of them have brought two times or more.

The Kirkwood Hotel in Des Moines will be sale headquarters and transportation will be furnished from there by appointment. We will also meet any trains or planes at Des Moines which is on the main line of the Rock Island Railroad, and principal airlines, or at Ottumwa on the main line of the Burlington Railroad, if we are notified in advance.

Transportation will also be available from the Congress Sale at Columbus, Nebraska.

Contact Brownie Hudson at Knoxville or John Hudson at the Congress in Columbus to make any of the above arrangements.

General Information

TIME: Wednesday, March 28, 1956; 12:30 P. M.

LOCATION: The sale will be held at Hillcrest Sales Pavilion, one mile ^{WEST} east of Knoxville, Iowa, on Iowa highways 60 and 92.

Champ. bull, the \$5,000 Cherry Hill Royal Leader. We purchased the dam at one of the top prices in the 1950 Oakwood Sale. She has proven to be one of our best brood cows and a daughter, a full sister to Twofold Leader, is also producing exceptionally well. Grand Lady Perfect 15th was by Collynie Sensation and is a half sister to an International Champion bull. Highland Czar was by Royal Augustine, the sire of a number of champion and top selling cattle. Augusta Lady 18th produced the top selling bull in the 1945 National Polled Shorthorn Congress which sold to Australia. Augusta Lady 17th was by the International Champion, Lee Dale Collynie. A good bull with a strong pedigree.

The dam's pedigree is loaded with the very best of horned breeding. Klaymor Extra, Collynie Royal Barrage, Millhills Ransom, Browndale Conqueror, Browndale Pilot and Maxwalton Pure Gold were all top breeding bulls who left their marks on the Shorthorn breed. A full sister of this bull is in our breeding herd and doing a good job of producing the right kind. AVENEL ROYAL MASCOT x - Another son of the Congress Reserve Champion, Cherry Hill Royal Apollo. His dam has had an outstanding production record for us. Avenel Fashion Leader, top selling bull at the 1953 "Parade of Stars" sale and now in service in the S.B. Hudson & Son herd is a son. His calves will be an attraction of this sale. Avenel Orange Blossom, a daughter, is in the Avenel herd. Avenel Royal Mixer, a son and full brother to Royal Mascot, was sold to A.J. Buck & Son, Palmyra, Penna., who showed him to the Reserve Senior Championship at the 1956 Pa. Farm Show in horned competition. Four calves and they have all been tops. That's a good record for any cow. The fourth generation of this pedigree reveals many more outstanding cattle including King Collynie, Jr., a bull who sired many great breeding bulls beside Collynie Type 3d; Oakwood Emperor, International Champion and sire of Oakwood Juno 8th; Count Coronet, International Champion and sire of Coronet's Reveler; Scottish Daybreak 9th, International Champion and dam of Collynie Ensign; and Blossom 4th, many times State Fair Champion and dam of Highland Orange Blossom. A bull with a great pedigree and from a great producing family. A bull you can buy with confidence that he will get better every day and what a breeding bull he should be.

His dam is a great thick cow, a daughter of the Congress Reserve Champion, Cherry Hill Royal Apollo, and a half sister to the 1952 Congress Champion and top selling female and the 1954 Congress top selling female. This bull is bred identically to Avenel Beauty, \$2,500 top selling female in the 1955 Hi-Ho Farm International Sale. A line-bred Edellyn Royal Leader 2d. He is a combination of the two bulls which has placed our herd in the position it is now in. A great headed bull, thick, deep bodied on short legs, a breeder's kind of bull.

He has lots of size, is extremely deep bodied, low-set with plenty of thickness. He carries two crosses of the great Canadian breeding bull, Klaymor Barrage who sired a Grand Champion steer at the Iowa State Fair, as well as several other high placing steers in various major shows, and he sold for \$1000. as a ten year old bull in the J.M. HIGHLAND FINANCE x - A very rugged burly kind of a bull from a Highland Robin dam. Highland Robin sired some of the great breeding cows of the breed including two tops of the 1946 Iowa State Sale that went to Lynnwood where one of them produced a Congress first prize heifer that sold for close to a thousand dollars and she in turn produced the grand champion female at the 1955 Maryland State Fair in horned competition for Tu-Jays Farm at Sparks, Maryland. This calf comes from the Queen Bess family which produced Highland Stamp who was sold to Leemon Stock Farm who showed him to the Grand Championship at the Illinois and Indiana State Fairs and later was exported to New Zealand where he popularized Polled Shorthorns in that country.

AVENEL ORANGE BLOSSOM 3D x - A strictly fancy heifer, a daughter of the International Champion, Cherry Hill Royal Leader. The dam is another of our very best breeding cows. She has had four calves by Cherry Hill Royal Leader, all of which have been good. The first one was a bull which was sold in the 1952 Congress to R.D. Neal of Ala. The second, a steer, was Grand Champion over all breeds at the 1953 Montgomery County, Md., Fair; Champion Shorthorn and Reserve Grand Champion over all breeds at the Maryland State Fair; and 1st prize heavyweight and Reserve Champion Shorthorn at the Eastern National Livestock Show. The third was a truly outstanding heifer which we lost at about six months of age. She would have made a show heifer. The fourth is this fine heifer, Avenel Orange Blossom 3d. The dam is now nursing her fifth calf, a powerfully made bull calf by Camson Better News. If you could see that calf, I am sure it would give you even more confidence in this heifer. Cherry Hill Sensation was an International first prize winner and the sire of the 1949 Congress Champion bull. His daughters have all made outstanding breeding cows. A full brother was champion bull at the 1947 Congress. They were both by the great Edellyn Royal Leader 2d and their dam was a \$2,500 daughter of the International Champion, Lee Dale Collynie. Oakwood Pure Gold was an International first prize winner and top selling bull in one of the Oakwood Stock Farm sales. He was by the International Champion, Oakwood Emperor. We are selling this heifer bred to Camson Better News, our imported in dam son of Calrossie Good News which we purchased at the top of the Femco Farm Dispersion where his calves were a sensation. His first calves here at Avenel have been outstanding, particularly those out of daughter of Cherry Hill Royal Leader. A top heifer bred to a great bull. Bangs Vaccinated.

She carries much of the blood of Collynie Ensign and Goldfinder's Diamond, who sired Supreme Goldfinder, Grand Champion bull at Chicago, and comes from a good Lavender family. Red bull calf at foot, Highland Gaffer x2848-761 sired by Lynnwood Upright, calved June 20, 1955. Everyone who has looked at this calf thinks he quite a calf. In the first 4 generations he carries the blood of two Perth Champions plus Goldfinder's Diamond which makes him a very royally bred calf. The cow is rebred to Lynnwood Upright.

HIGHLAND GOLDIE 3D x - This is the pick of our open heifers by many people, as low-set and thick as you will usually find, sired by Highland Excellence who has done a great job for us for ten years. Highland Excellence is line bred in the blood of, to us, two of the great cows that the breed has produced, Scottish Daybreak 9th, Grand Champion at Chicago in 1949 and Blossom 4th, first prize wet cow at Des Moines and Grand Champion cow at Minnesota in 1928. Her dam is a Canadian cow sired by, what I have been told, a great breeding bull, Rig-foot Mario, by the MacGillivray bred Glastullich Champion. Sells open.

HIGHLAND LADY BONNIE x - One of the better females in the sale, but she won't look it as she is just in out of the stalk field and has nursed a big calf all winter. She is out of a Canadian cow. Red heifer calf at foot, Highland Lady Bonnie 3d x2848-776 by Lynnwood Upright, calved May 22, 1955. The cow is rebred to Lynnwood Upright and is heavy in calf. In fact, she might drop another calf by sale time. This pair puts me very much in mind of a pair Lynnwood bought off us in one of our sales, the heifer calf at foot being sired by Collynie Ensign. This heifer calf later produced the top open heifer in their sale which sold to Teegardins who bred her and sold her as one of the tops of their sale for \$2,000. She sold as an old cow in the Cherry Hill Dispersion for \$1075.
